**Number:** 35

**Summit:** Port of Spain, Trinidad and Tobago ( May 2009 )

**Topic:** Health ( Ministerials Resources )

**Mandate:** We are committed to meeting the Millennium Declaration objective of halting and beginning to reverse the spread of HIV/AIDS by 2015 through, inter alia, identification and implementation of strategies to scale up towards the goal of universal access to comprehensive prevention programmes, treatment, care and support. We will promote scientific research and social awareness geared towards producing safe and high quality medicines and supplies with the aim of increasing access to treatment. We will implement the Regional HIV/STI Plan for the Health Sector 2006-2015, in coordination with PAHO, UNAIDS and other relevant institutions. We commit to strengthening public policies aimed at reducing the incidence of mother-to-child transmission of HIV to less than 5% by 2015. We reiterate our commitment to participating in and strengthening the Global Fund to Fight AIDS, Tuberculosis and Malaria, including through resource mobilisation.
