

# VIII Summit of the Americas

L I M A · P E R U · 2 0 1 8

## **PRESS**

### **INTERNATIONAL MEDIA CENTRE (IMC)**

The IMC will be located in the Ministry of Culture, San Borja district.

The following working environments will be available to the accredited national and international press during the Summit:

- **Press Room**: on the 1st floor of the Kuelap Tower. It will have more than 300 workstations, Spanish/English - English/Spanish simultaneous interpretation service, and Wi-Fi signals. Summit sessions will be broadcast via closed circuit TV (CCTV), including floor audio.
- **Stand up positions**: at the front of the Ministry of Culture building. Use subject to booking of time slots.
- **TV Sets**: located on the first floor of the Ministry of Culture (lobby).
- **Interview Rooms**: located inside the *Sala Paracas*, on the first floor of the Ministry of Culture. Use subject to booking of time slots. Filming equipment not included.
- **Press Conference Rooms (2)**: The *Sala Nazca* (for 300 people) and the *Sala Mochica* (for 150 people) on the first floor of the Ministry of Culture.
- **Booths for national and international news agencies/media (limited number)**: These press offices will be located on the 3rd floor of the Kuelap Tower. They will have Wi-Fi signals, official TV signal broadcasting the Summit activities, and furniture.
- **Parking for TV Trucks for Live News Coverage and/or Transmission of audiovisual material (limited number)**: Use will be subject to availability, upon request, and vehicle accreditation.

## **CONFERENCE PROGRAM**

Information related to the Official Program of the VIII Summit of the Americas and the Press Conferences will be provided in due course.
